National Agricultural Research Center

**Subject:** Supply, install and operate two Nano-Filtration (NF) desalination units (10m<sup>3</sup>/h) provided with Solar PV off-grid systems.

**Reference:** Tender (07 – Works – 2021)

**Procedure:** Local Open Tender

- The National Agricultural Research Center (NARC) as Partner in PROSIM Project A\_B.4.1\_0317 intends to award the contract reference of the above subject with financial assistance from the European Union through ENI CBC Mediterranean Sea Basin (BL WP5.ES.PP1.111322 / WP5.ES.PP1.111354).
- The tender dossier is available at NARC (supplies and tenders directorate office) for a cost of 75 JD.
- Interested classified companies as 3<sup>th</sup> grade electro-mechanical experienced in solar energy systems, under the ministry of public works and housing, are invited to request the tender dossier during 05-Sept-2021 to 07-Sept-2021 (2:00 pm) Jordan local time.
- Field visit for the sites will be arranged at the National Agricultural Research Center NARC (Baqa) at 10:00 am on 08-Sept-2021.
- Interested companies should deliver their offers in hard copy exclusively by the applicant delegate at NARC premises in Baqa not later than 1:00 pm on 13-Sept-2021.

- Application guarantee of 3% of total offer cost should be presented within the offer.
- The received tender dossiers will be opened on 14-Sept-2021 at 10:00 am.
